MCC also announced the recipients of their annual Outstanding Graduate Student awards.

Each spring at the college, the Outstanding Graduating Student awards are given to students in the current year's graduating class, based on the individual's time as a

student, and include their academic and co-curricular involvement. Nominations are submitted in the spring by MCC faculty and staff. These awards are presented at graduation ceremonies and given in three divisions: General-Arts & Sciences, Career & Technical, and Nursing. Awards are also given to first-year students following the same criteria.
