### MCC to hold Pioneer Preview Day

MILES CITY, MONTANA: Miles Community College will be hosting Pioneer Preview Day on Friday, October 21 from 9:00 a.m. to 3:00 p.m. on the MCC campus. High school juniors and seniors will be able to get a sneak peek at the full college experience and student life available at the college. Students and parents (or guests) from all over the state and region are welcome to attend this free, day-long event.

During Pioneer Preview Day, students will tour campus and the residence halls, sit-in on college classes, have lunch in the MCC Café, and learn more about admissions, financial aid, and degrees/programs offered. One lucky student will also win a \$2,000 tuition waiver.

"Pioneer Preview Day is a great opportunity to see what kind of career-technical and general education programs we offer," explains Danielle Dinges, Director of Financial Aid and Admissions. "Many families are worried about how they will pay for their children's educations. Attending Preview Day will allow families to see how Miles Community College is an affordable option with quality programming."

Faculty and staff will be on hand during the event to answer any questions students and parents may have.

To register, students can visit [www.milesc.edu/visit](http://www.milesc.edu/visit) and click the "Register for Pioneer Preview Day" link to direct them to the online registration form. Students can also contact the Admissions Office at 406-874-6100 or 1-800-541-9281 to find out more about Pioneer Preview Day or the college itself.
